DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

Also of painted brick, this 2 bay, 3 story mid block building has a lower shopfront building similar to 823 N. Howard Street with which it shares a stoop. The recessed entrance and sidelight (left of door) are to the right and the shop window consists of a single pane of glass. The horizontal band over the window and entrance is totally filled by a back-lit vertically grooved plaster sign.

The sills of the 2nd floor windows are immediately above the sign. The one-over-one double hung windows, to a floor, have stone sills and splayed brick lintels.

There is a detached molded string course below the bracketed cornice which is continuous with the one on 827 N. Charles.
